2008 REGIONAL MUSIC & WORSHIP
One day CONFERENCE
SING A NEW SONG: BUILD A NEW COVENANT

This is the first of a number of regional conferences to be held throughout the United States. We would like for you to be a part of this first conference which began when a group of African American musicians from around the country came together at Covenant Presbyterian Church in Palo Alto, California to begin addressing issues that are specific to African American music and worship. As an organization, The African Heritage Association of Music Worship and Praise will provide resources and activities to enhance and enrich the evolving worship experience for all churches in specific regions of the United States.
